MEMORANDUM FOR: Director of Security

SUBJECT : Reprinting of Second Edition of  
Strategic Intelligence for American  
World Policy

1. Mr. Gordon Hubel, of the Princeton University Press, called me today to discuss the reprinting of the second edition (about 1950 or '51) of my Strategic Intelligence for American World Policy. Mr. Hubel informed me that his press had as yet made no firm decision except that if it were to do the reprint, the book would be a paperback.

2. Mr. Hubel of course knew of the reprint currently in the works at the Archon Press, and the new Preface which I wrote last summer. You will recall that the latter was cleared for publication by yourselves and Col. White. If the Princeton Press goes ahead with its own reprint in paperback, Mr. Hubel obviously would like to have the refusal of the new Preface. This is to inform you that I am this day sending him a copy of that document.
